Our Katrina experience was:

Like everyone else there, we lost our home and all earthly possessions. The house roof was torn off, walls collasped in, garage was smashed and torn apart, shed washed away, the house inside is nothing more than rubble as the attic fell in, paneling down, cabinets down and smashed. We pulled a few pieces of dishes out of the house. My husband lost his car and truck. We were told that the water was about 8 feet above the roof. Since the storm we have lived with different relatives. My parents as well as my husbands

Write something special that you would like Santa to bring you or your family:

I'd love to see our families SMILE! Really smile. My kids would appreciate anything. Toy cars, airplanes and drawing items are favorites among the older kids and toddler preschool cars for the little guys. THANKS.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to: Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

I know you are getting this late as our mail has had to be forwarded so many times it takes awhile to get to us. But maybe "Santa" can help. THANKS.

family lost their homes too (Waveland on Old Spanish Trail, Amar St. and Diamondhead).
My husbands job was lost too. He is now at a temporary job in Tx. We took a significant pay cut as well as lost our medical insurance.
Like so many others our homeowners insurance will not pay for our home. We had no flood insurance.
We feel Blessed though because our families and our church families have helped us with basic needs. And we were able to evacuate with all our family so we all have our lives.
